50 – 59	DD
0 – 49	F

Course Description: Survey of music history starting from the beginning of the Romantic Period to the 21st century, stressing the major characteristics of each era, examining the development of musical styles, forms and instruments, studying the important composers and masterpieces, expressing impressions of a concert. In addition, the contemporary Turkish Classical Music and the prominent composers will be presented. The lectures will be offered with examples via audio-visual equipment.

Course Objectives: Students successfully completing this course will have a general knowledge of music history and related human history from the beginning of Romantic Period to the 21st century; will understand the historical processes through which musical styles begin, grow, mature and decline; will have a knowledge about the specific styles and forms of music and different musical instruments born in each era; will be able to identify a variety of different musical instruments; will be able to recognize masterpieces of the eras in question; and will have studied the lives of important composers of these eras. Furthermore, they will have a general knowledge about the contemporary Turkish Classical Music and the prominent composers. The students will also be able to internalize course subjects better by attending and writing impressions on a course-related concert. These qualifications will promote a subsequent understanding and appreciation of music.

Textbook: There are no obligatory textbooks. You are required to obtain lecture notes and download all other necessary files.
